**in Christian Aid Week**

Your support during Christian Aid Week could help families like Aline's build reliable and diverse incomes. Your donations could help bring them food security, better health, safer homes, increased resilience and hope.

Poverty pushed Aline to the brink of survival. But she was determined to push back against the inhumanity of poverty, driven by hope, faith and the love of her children. Aline transformed her life with a little help from Christian Aid.

## YOUR VOTE MATTERS

## General Election 2024

## In your prayers...

Please continue to pray for the Karpuk family and the Willis family on their recent losses and all those who are grieving.

On Thursday May 30th, the funeral of Heather Johnson will take place at 10am. She was a former resident of Voyage Care Home in Churchfield Avenue. Please remember her, her friends and the staff at the home.

*Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.*

*Philipians 4:6*

- Pray that voters will listen actively and demonstrate love-filled curiosity towards those they may disagree with or do not understand.
- Pray for those standing in the elections and supporting the democratic process to act with integrity and honesty, prioritising the common good over personal or party interests.
- Pray for a peaceful and respectful campaigning period, free from violence and divisiveness. It would be worth focusing prayers for the vulnerable, that policies that impact them the most are not used for political expediency.
- Pray for policies that promote justice, equity, and care for the marginalised, reflecting Christ's love and compassion.

### Where's the minister?

Phil was admitted to hospital on May 10th with chest pain. After extensive tests he had a devere restriction in his old stent repaired and is now recovering back at home. He will return to work on June 17th. He thanks everyone for their patience and kindness.
